The Webkinz are getting ready for a birthday party. This time, it was Luna's birthday. "Can we take a break, Lulu? I'm tired." said Chandler.

>"No, Chandler. Luna will come back any minute now. And I want everything up before they come through the door." said Lulu. Chandler sighed and continued hanging up decorations.<br>"Hey, guys. She coming!" said Hector.

>"Quick, everyone. Hide!" said Stripes. Everyone hid while Luna came in.<br>"Surprise!" said everyone in unison.

>"How did you guys know it was my birthday today?" said Luna.<br>"You told us, remember?" asked Buddy.

"Oh, I guess I did. It must've slipped my mind. Thank you guys for remembering my birthday." said Luna.

"No problem." said Easter.

>"Well, what are we doing standing here? The party's in the other room." said Vixen.<p>
